India Essential Oils

Steam-distilled essential oils, supercritical CO₂ extracts, cold-pressed carrier oils, and Ayurvedic formulations — GC-MS verified for global B2B buyers.

WHO-GMP Certified

ISO 22000

ABOUT US

Pure Botanical Extracts, Grown & Distilled in India

India Essential Oils is a primary division of Mother Herbs Pvt. Ltd., manufacturing and exporting steam-distilled essential oils, supercritical CO₂ extracts, cold-pressed carrier oils, oleoresins, and Ayurvedic formulations since 2004. Every batch is GC-MS tested for chemical purity and consistency before it leaves our facility, and produced under WHO-GMP and ISO 22000 certified processes — giving international formulators, brands, and distributors a dependable, traceable source of natural raw materials at bulk volume.

This catalog presents our current range across 9 product categories. Every listing includes its botanical name, processing method, minimum order quantity, and indicative pricing basis — use it to shortlist what you need, then reach out for a formal bulk quote.
